Notes

1. With the establishment of diplomatic relations with China on January 1, 1979, the US Government recognized the People's Republic of China as the sole legal government of China and acknowledged the Chinese position that there is only one China and that Taiwan is part of China.
2. In 1950, the Israel Parliament proclaimed Jerusalem as the capital. The United States, like most other countries that have embassies in Israel, maintains its embassy in Tel Aviv.
3. Taiwan is claimed by both the Government of the People's Republic of China and the authorities on Taiwan. Administered by the authorities on Taiwan.
